Friday 23rd January

Snow Time!

The recent weather has been fun and exciting and it's been lovely to see the children playing outside, making snowmen.

We try to allow the children to play out as much as possible but only if they are wearing suitable shoes and clothing. It is a good idea to send a change of shoes and socks in a named carrier bag when there is snow on the ground.

Reception

What a fun time we've had in the snow this week. We have built snowmen and collected ice to investigate.

Year 1

We've had a fantastic week reading Little Red Riding Hood and using lots of story language. Everyone had a great time at Seven Stories!

Year 2

We've had an exciting week acting out the story of Cinderella, using lots of story language. Everyone had a great time today at Seven Stories!

Year 3

We have been measuring length and weight in numeracy. We converted cm into mm and measured our own heights and feet. They could measure your feet too!

Our P.E. lessons are on Mondays and Tuesdays this term. Please ensure that your child has a P.E. kit in school.

Year 4

The children have researched information about the life of convicts transported to Australia in the 1700s. They have written reports about this and all agree they would not like to have been transported to Australia!

Year 5

Class 5 have had great P.E. lessons this week, with lessons on gymnastics and tennis. P.E. kit (including suitable shoes) is needed on Tuesdays and Wednesdays this term.

Year 6

Year 6 have really impressed me this week. Their Victorian murder stories were full of suspense and tension.

I'm worried that I might have nightmares over the weekend, after I have marked them all!!

Year 6 SATs meeting

Thank you to everyone who have made appointments for individual parents meetings. We have reorganised the SATs meeting for Tuesday 3rd March at **4pm till 5pm.**
