## Friday 17th July

### End of another fantastic year!

We can't believe it is the end of another year—and what a year it has been. Whenever we come to the end of something, we tend to reflect on our experiences in the past and begin to plan for the future. Everyone of our children and staff have worked incredibly hard this year. Please take some time to talk to your children and reflect on their achievements and memories. We thank everyone for their support and help and look forward to an even better year next year!

#### <u>School Uniform</u>

We are sure many of you will be thinking about school uniform for the Autumn Term already! Please can we remind parents that school uniform consists of grey trousers and skirts, white polo shirts, royal blue jumpers and cardigans and that we insist on all black shoes. Children who wear trainers MUST be all black and MUST NOT have coloured logos on them. We will insist that children wear black plimsolls' in school, if they do come to school not wearing appropriate footwear. We take great pride in how smart our children are, in and around school and know that when children see other schools attend events, they notice how smart we are in comparison. It only takes one or two children, not wearing the full uniform, to spoil the efforts of the majority, so please encourage your child to look their smartest in September. Thank you

#### <u>Congratulations</u>

Our fabulous cook, Gill, has won an award for achieving Top Marks for excellence from our school meal provider, Taylor Shaw.

Well done Gill, we appreciate the hard work and effort you do for our school lunches.

#### <u>Farewell</u>

It has been an emotional week as the Year six children prepare to move onto Secondary School. We ask you to join us in wishing them all good luck for their future and congratulate them for their fantastic SATs results!

We also say farewell and good luck to Mrs Eatough, Miss Thom and Miss Nelthorpe as they set of for pastures new.
