## Friday 3rd July

### Hottest Summer Fair on Record!

Thank you to everyone who attended this years Summer Fair in, what felt like, 40° temperatures— swiftly followed by a thunder storm!

The fair was a huge success raising a staggering,

**£480**

All of which will be spent by the PTA who will carefully chose resources for the children.

Thank you to everyone who made donations for the tombola, money tree, raffle and cake stall.

Without these donations there would be no fair and no fundraising.

#### PTA

A special thank you to our incredible PTA, Sharon, Tracey, Fiona and Ashley. Their continued support and efforts do not go unnoticed—we all appreciate everything you do to make these events a success!

Thank you also to all the parents who helped pick up litter from the field afterwards. In future may we ask parents to take their rubbish home with them and not leave it on the children's playing field.

#### SPORTS DAY SUCCESS!

You may have noticed that we had organised this year's sports day a little differently. After listening to parents comments in previous years, we decided to run the race events for the whole school, in the afternoon. We have had nothing but positive feedback from parents and children, so we are sure it was a huge success. If you have any other comments or suggestions to make about Sports Day, please write them down and place them in the parent suggestion box at the reception area.

And the winners are...

**RABY!**
