## Friday 19th June

### Dog's Trust Big Scoop Week

This week we were visited by Alison Gray from Dog's Trust, who talked to us in assembly about being a responsible dog owner and picking up their poop!

To promote the initiative, Dog's Trust are holding an art competition, where the children can have their art work displayed around the local area, reminding people to pick up their dog poop.

Children must design their own Big Scoop poster and tell dog owners why they need to "scoop the poop."

Posters must be colourful and eye catching. Please pass all entries to Mrs James, before the end of June, who will forward them on to Dog's Trust.

Good Luck

### Reception

This week we have been learning about sea creatures. If anyone has any interesting shells it would be lovely if you could bring them to school to show everyone!

#### Year 2

A big thank you to everyone who came to see our class assembly, the children were very proud of themselves. We're looking forward to meeting Captain Raggybeard next week!

#### Year 1

We have now finished our Phonics test this week. The children have really tried their best. We have also completed our reward chart in class so we are going Bamboozles on Monday 29th June! Well Done!

#### Year 3

We had great fun cleaning out Prince together but now anyone could because we've written instructions that will make any cage pristine! You can help by having a look at instructions such as recipes with your child.

#### Year 4

This week we spent some time with Class 3 learning a Northumbrian folk song for next Tuesday's event at Bishop Auckland Castle. We'd love to see you there. Tickets are available from the office.

#### Year 5

Next week, Year 5 have curriculum week. Monday to Wednesday we are going to King James I Academy and Thursday and Friday we are going to Bishop Barrington.

#### Year 6

Please could all year six children return any reading books and library books over the next **two weeks**.
