## Friday 5th June

### Summer Fair

The PTA are currently working hard to organise the Summer fair for the afternoon of **Wednesday 1st July**— straight after sports day.

Please could you support our fair by sending in the following things:

Monday: bring a teddy bear

Thursday: books and toys

Tuesday: bring a bottle

Friday: Bric-a brac

Wednesday: toiletries

Many Thanks for your support!

### Reception

A great big well done to all of Reception for their fantastic performance in our class assembly. They all worked so hard to remember lines and put on their biggest voices. We were all very impressed!

### Year 1

We have been learning to add and subtract in our heads this week using BIG numbers! Please can all children complete their homework to support their learning.

### Year 2

All parents are warmly invited into Class Two this Wednesday, 10th June at 2:15pm to see how the children have been using iPads in school to enhance our learning. Refreshments will be provided. Looking forward to seeing lots of you there!

### Year 3

We're researching Wales as a tourist destination—another mountainous country! We've been making mountains out of...biscuits! We are learning about how they are formed.

### Year 4

This week we have been practising division using the "bus stop" method. The children doing well but would do even better if they could recall their times tables facts more quickly. Please can you help, by learning these at home?

### Year 5 & Year 6

On Wednesday, we participated in the "Be A Hero" event at Bishop Auckland College. We took part in climbing, dodgeball, an assault course, an obstacle course and blindfolded football. Abigail in Year 5 thought that, "it was really fun although tiring and I enjoyed the climbing because it was quite challenging!"
