Friday 20th March

Easter Service

We look forward to seeing lots of family and friends at our Easter service on Tuesday 24th March at 2pm at St. Andrew's Church.

Comic Relief

Congratulations! We raised an amazing £171.45 for Comic Relief last Friday. Thank you for all the cake donations, it was a huge success!

Reception

We have been exploring rockets this week, just in time for the solar eclipse. We have transformed our role-play area into a space station. The children have been imagining they are astronauts and visiting different planets.

Year 1

This week in Class 1 we have been learning to add and subtract using number lines in numeracy. In literacy we have had a great time reading the story of 'The Shark in the Dark'. We have been using fantastic adjectives to describe the horrible Shark!

Year 2

Everyone had a great time yesterday at Adventure Valley. The children enjoyed looking at lots of different animals and had lots of fun in the adventure playground and especially on the jumping pillows!

Year 3

This week in science we have learnt about magnets, investigating magnetic objects and used iron filings to show magnetic fields.

Year 4

This week, we have practised football skills with Coach Gary. We have learnt passing skills and control of the ball.

Year 5

This week we have had a great time playing cricket at King James I Academy's sports hall.

Year 6

WANTED

Please could Year 6 children bring boxes and containers of all shapes and sizes for our topic finale on Thursday 26th March. We need tubes, large boxes, small boxes, any masking tape, rope, string, foil etc.

Thank you
