Friday 27th March

Easter is here!

Thank you to all the parents and family who came along to the Easter service at St. Andrew's church on Tuesday. It was lovely to see so many of you supporting the school and celebrating with us.

Easter Activity Day

Come along to our Easter Activity day. All children and family welcome to join in an Easter egg hunt, egg drop and many more Easter crafts, for a small donation of £1. We'll see you on Wednesday 8th April at 1pm –3pm!

Reception

We have enjoyed decorating biscuits for Easter. We have been reading the Easter story and many of us made Easter Chicks to take home.

Year 1

Well done everyone for working really hard on our Under The Sea topic this term. Our new topic next term is Castles.

Year 2

Children are bringing home a past SATs reading paper to complete over the holidays. Please work through this with your child in preparation for our upcoming Key Stage One Assessments, which will be taking place over the next half term. Please don't hesitate to contact Mrs Foggin on Dojo if you have any questions.

Year 3

We waited very patiently in the traffic to get to Yannis but it was certainly worth the wait. Class 3 had a wonderful time. To celebrate all our hard work this term, children will be bringing home their Greek vases. Next term's topic is Mountains.

Year 4

Well done to everyone in Year 4 this term. We have reached our "stay on green" target and the class have all received a treat today!

Year 5

Well done to everyone for their hard work this term. Have a well-deserved rest over Easter but please find time to do the tasks in the homework books to keep sharp ready for the summer term.

Year 6

Yesterday the children brought home their Easter holiday homework. I would recommend that the children do a little bit everyday to keep their minds active and their skills sharp. For those of you who are attending the Easter revision club please make sure you are on time to start at 9am Thank you Mrs James
