## Friday 6th March

### Comic Relief

On Friday 13th March we will be raising money for Comic Relief. Children can come to school wearing anything RED, make their faces "funny for money" and of course wear a red nose for a donation of £1 (noses are now on sale in the office).

### Bake Sale

We are also having a Great British Bake Sale and would appreciate donations, (bought or baked) to be brought to school on Friday morning. Parents are invited to come to school at 2.45pm to purchase the baked goodies for a small donation towards our fundraising efforts.

#### Reception

Reception children are invited to bring in something 'special' to them, to talk about next week. They need to be able to explain why it is special to them. All items will be kept safe in school.

#### Year 1

The children will now receive homework on a Friday to complete over the weekend. This is to be handed in the following Monday. This will support the children's work they have been doing throughout the week in class.

#### Year 2

Class Two have been working hard to understand the features of non-chronological reports. Today, we have used our new skills to write our own non-chronological reports about growing plants.

#### Year 3

We are pleased to welcome a visitor to teach our games lesson until the end of the Spring term. Coach Gary will be working with us on ball sports and invasion games.

P.E. will now be on Mondays and Thursdays.

#### Year 5

Remember next Thursday is our school trip to York. The bus is leaving the school at 8.30 am prompt.

Reminder: P.E. kits required Tuesdays & Wednesdays.

#### Year 4

In maths this week, we have measured capacity in litres and millilitres. At home you can help by pointing out measurements on containers and talking to your child about these.

#### Year 6

Reminder: Our school trip on Thursday leaves school at 8.30am prompt. Children are welcome to come to breakfast club from 8am for a charge of £1.
