Friday 15th May

Careers Week 18th May—21st May

Next week is careers week and we are looking forward to visitors including a geologist, an interpreter, a police officer, a surgeon, a dentist, a prison officer, a postman, an RAF officer and more!

Thursday 21st May is a **fancy dress day** for £1 on the theme, "What I want to be when I grow up"

Look out for reports, children's thoughts and photographs appearing on the school website.

Remember...

School is closed to pupils on Friday 22nd May

Reception

We have really enjoyed cooking this week. We've been reading 'The Gingerbread Man' and thought we'd like to make some gingerbread men for ourselves. They were delicious! Some of the children read the instructions and we each had a turn of measuring and mixing.

Year 1

The Year 1 phonics test is just around the corner. To support the children's learning in class, they have been given a pack of words to practise sounding out and blending together. The children will benefit from daily practice reading these cards with an adult.

If you have any questions please ask Mr. Soppitt.

Year 2

Mrs. Foggin is extremely proud of everyone in Year Two for completing their Key Stage One Assessments and achieving our target of twenty green days! Well done Class Two!

Year 3

Some Class 3 children represented our school at a local mini-tennis tournament. They showed great pride and fantastic sportsmanship. A special well done for our boys, who came top of their group!

Year 4

In science this week we have learnt about evaporation. You can help with this at home by talking about everyday examples, e.g. washing on the line, steam coming from the kettle and other ideas.

Year 5

Next week, our careers week visit is to the Ebac factory in Newton Aycliffe.

Year 6

Congratulations Year 6, you have completed your SATs! We are so proud of everyone of you!

The school bird box is now available to view live on the internet. Please visit the News section of our school website or visit www.birdbox.segfl.org.uk and look for our school.
