## Friday 1st May

### Bank Holiday

**School will reopen on Tuesday morning after the Bank Holiday Break. Enjoy!**

### PTA Meeting—your school needs you!

**We would like to hold a PTA meeting to organise the Summer Fair on Wednesday 20th May at 3pm.**

### Reception

We began reading our new class story this week, Jack and the Beanstalk. A beanstalk even grew in the outdoor area! We hope the giant doesn't find his way down it to St Andrew's!

### Year 1

This week in class 1 we have been learning about becoming a knight! Next week we will be making some knights armour, helmets and shields so we are collecting rubbish. If you have any old newspapers please bring them into school.

### Year 2

Thank you to all parents who attended the number line demonstration in Class Two. Children have been working very hard this week to perform different types of calculations using a number line. All children would benefit from consolidating this at home, in preparation for Key Stage One Assessment.

### Year 3

We have been learning all about the different symbols used on maps. Next week our P.E. will be on Tuesday and Friday. Do you have any postcards at home? Please send them in so we can look at the style of writing.

### Year 4

This week we have painted some Egyptian Gods. We are very proud of our results and these will look great on our Egyptian display.

### Year 5

This week we have created some impressive art, taking inspiration from African sunsets and started constructing a database of African animals in Computing.

### Year 6

**Please can parents make sure they have returned the Edinburgh Zoo letter so that we can book an appropriate sized bus for the trip. If you do not want your child to go we still need to know.**
