Friday 8th May

P.E. Kits

As the summer sun is hopefully upon us for the rest of the term, P.E. lessons in school will increasingly be held outdoors.

It is important that each child has the correct P.E. kit for both indoor and outdoor lessons.

Appropriate kit includes, a t-shirt, a pair of shorts and a change of shoes, either trainers or plimsolls.

Please ensure your child has a full P.E. kit that fits them correctly.

Reception

We are really enjoying using our brand new outdoor area. We are interested in digging and cooking at the minute so we are planning on building a mud kitchen! If you have any spare pots, pans, spoons, containers at home they would be much appreciated to help with our project. Thank you!

Year 1

In class this week we have been learning to tell the time! We have learnt o'clock and half past times and have begun to learn quarter past and quarter to.

The children have some homework to complete over the weekend to support their learning.

Year 2

We're looking forward to seeing lots of parents next Wednesday, 13th May at 2:15pm to demonstrate how we use guided reading strategies in our class. Refreshments will be provided. See you there!

Year 3

We've been to the Great Pet Sale and bought pets, cages and toys. We added up the amounts using column addition. You can help by asking your child to add costs together and to work out change.

Year 4

Our cricket skills have continued to improve this week. The children have improved at both batting and fielding. Watch out England!

Year 5

This week we have really enjoyed meeting Jet and Ben and learning about how to keep safe!

Year 6

Please join us in wishing the year 6 children good luck for their SAT tests next week. The children have worked hard and deserve to do well!
