Reception

This week the children have enjoyed practising for their Christmas performance.

Year 1 have been doing some fantastic adding and taking away over the past few weeks in numeracy. Next week we will be learning to tell the time! Please could you help your child talk about the different times of the day and how to tell the time to o'clock and half past.

Everyone in Class Two had a great time at Durham Cathedral this week. We learnt lots about St. Cuthbert and enjoyed dressing up to re-enact the story. Mrs. Foggin was delighted with the children's behaviour!

Year 3

This week we have been learning about the 7 life processes and applying them to plants. We use the mnemonic MRS NERG to help us!

Year 4

This week the children have been using their times tables to solve multiplication and division problems

Year 5

The children had a great time at Durham Cathedral and impressed the guide with their good behaviour and their knowledge of the Northern Saints.

Year 6

Diary Date

The children have been working on a dance routine around their topic of "Water," and would like to show you their work on Tuesday 16th December at 9.20am. More details to follow.
