A Successful Future"

Newsletter

Friday 7th November

Children In Need

Next Friday we will be supporting the Children in need charity. Children and staff may come to school dressed as a hero. It can be a superhero or any other type of hero such as a soldier, policeman, or a footballer. Alternatively, children can dress in Pudsey Bear merchandise.

We ask for a donation of £1 from the children.

We also ask for children to bring as many pennies as they can find, so that we can have a "guess how many pennies for Pudsey" competition. The closest estimate of all the pennies we collect wins a Pudsey Prize!

Reception

This week we have been learning about patterns. The children have created and completed their own patterns.

Year 1

Children who have handed their homework in, have now been given the new taskboard. Please encourage your child to bring their book bag into school as often as possible so their sound books are also updated.

Year 2

Next week, Class Two will have a new arrival... we are getting a lovely little rabbit! We have donated Basil the hamster to our learning mentor, Miss Bell.

Year 3

We have been making leaflets about our new class pet, Prince. We've learned how to take care of him, written an information leaflet and even searched online for photos to use in computing. Swimming will be moving to a Thursday from now on.

Year 4

We have two new members of the class... two lovely degus! But they need a name! Please help your child by giving suggestions over the weekend.

Year 5

This week, Year 5 visited Bishop Barrington to do a Food Technology lesson and produced some amazing cakes! Please return consent forms for Durham Cathedral visit on Tuesday 25th November.

Year 6

On Monday, 6 lucky children who have been on green this week, will be selected to join Lizzie Willows at the River Gaunless to collect data about the river for a National Survey.

PTA

Just a reminder that the next PTA will be held in school at 3pm on

Wednesday 12th November to begin preparations for the school Christmas Fair.
