

"Working Together For
A Successful Future"

Newsletter

Friday 10th October

This term we are working on learning our times tables. This may be counting in sequences in Key Stage 1 to learning multiplication and division facts in Years 5 and 6. We believe knowledge of times tables facts is a key skill to help develop children's maths ability throughout their school life and beyond. Please could you help your child to learn these at home.

Reception

As the weather is getting wetter please provide your children with wellies, as whatever the weather we will go outside. This week we have been learning our shapes and making pictures out of them.

Year 1

This week in Year 1 we have been learning to take away and to count forward to 20 and back to zero. Can parents and carers keep practising counting to 20 with their children as often as possible.

Year 2

All children in Class Two are currently working very hard to prepare for our Class Assembly on Tuesday 14th October at 9.10am.

Year 3

This week in Literacy we have been writing reports about reindeers. These animals were around during the Stone-Age and still to this day. We have been practising writing in paragraphs.

Year 4

We have continued to work very hard in P.E. this week. The children have worked well with their partners to produce a sequence of moves, balances, rolls and jumps. They should be very proud of their work this week!

Year 5

Year 5 had an excellent trip to Auckland Castle. They should all be very proud that many people at the Castle remarked how well-behaved and sensible they were. Well Done Class 5!

Year 6

We had an amazing afternoon at King James I Academy on Monday. Mr. Elliot, the drama leader, commented on how well behaved and talented the children from our school were!

Messages

Class 6 and Reception/Year 1 assemblies have been rearranged. Class 6 will do their assembly on Tuesday 21st October while Reception and Year 1 will now do theirs on Thursday 23rd October. Parents and guardians are welcome to attend. Both assemblies will be at 9.10am.
