Reception

All the children in reception have settled in really well. They have been exploring all the areas in the classroom. We have all been practising to write our names.

Year 1

Mr Soppitt will be giving out homework, reading and library books during parents evening next week. There are still spaces available if you haven't made an appointment already. P.E. will take place every Wednesday and Friday, children need shorts and a t-shirt.

Year 2

Mrs. Foggin is really impressed with the efforts from all of the children in her class this week. Everyone has worked very hard on calculations with missing numbers.

Year 3

Year three had a wonderful session with Adam Bushnell learning about all the things that Stone Age people could do with stones!
We also remembered lots of facts about plant structures and re-potted a herb in class.

Year 4

We are enjoying our new book "Stone Age Boy" and have started to learn some disgusting stuff about the Stone Age.

Year 5

Year 5 have made a great start to the new school year. All the children have started using their new home-school books to record their reading and the spellings they need to learn.

Year 6

Year six have taken part in a national project to monitor the reproduction of mayflies in our country. They have been working with Lizzie Willows on the River Gaunless to provide data for the project.

Messages—PTA
