## Friday 24th October

### Homework

This year we have decided to send homework out over the half term holidays, so that children can add to their work whilst off school. Please return homework by Tuesday 4th November, when point scores will be added up. This year the treat will be given to those who gain the most points and not to the House Team.

The homework treat this half term is Dodgeball with Mr Soppitt.

### Reception

Thank you to all those who came to Y1 and Receptions class assembly, they really enjoyed it and are looking forward to our next one!

### Year 1

Homework will be collected in after the holidays. During the holidays can children remember to keep practicing reading and writing the sounds in their sound books.

### Year 2

All children have settled well into Class 2 this term. We have finished our topic on 'Ourselves' and are looking forward to learning about the Great Fire of London after the holidays.

### Year 3

On Monday we visited The Great North Museum: Hancock to see the Stone Age exhibit. We had a fantastic time looking at all the pottery, tusks and spearheads as well as creeping off to see the rest of the museum too!

### Year 4

We had a fantastic trip to the Hancock Museum and found out lots of new facts about the Stone-Age.

### Year 5

This week, Class 5 have worked very hard completing two pieces of extended writing. After half term we will have our new pet rabbit.

### Year 6

The children have worked hard this term and have settled well into year 6. Please encourage your child to continue this hard work by reading and doing some more homework over the half term holiday.

### Pets

Now that we have our pets in class, we are looking for families to volunteer to care for them at weekends and during holidays. Please contact the office if you can help.
