Friday 3rd October

Children in Need

On Friday November 14th we will be raising money for Children in Need. This year the theme is "Heroes." We would like the children to dress up as their favourite heroes. This can be a superhero, a sporting hero, a historical hero- anyone who inspires you. So get your thinking caps on! More details will follow!

Reception

We have been making lots of hand prints this week for our display around our topic 'Ourselves'. We have discussed things that are special to us.

Year 1

Class 1 have been learning to count to numbers up to 100. We have also started to learn how to add numbers together.

We've been playing snakes and ladders to practice our counting skills

Year 2

This week we have been looking in non fiction books about human bodies to prepare for our trip today. Ask your child to tell you their favourite fact that they have learnt this week!

Year 3

Class 3 have started to look at report writing. We learned that news, weather and **many** animal programmes are types of reports and that they **sometimes** use a language feature called generalisations (**mostly**).

Year 4

We have looked closely at Stone-Age jewellery and made our own out of clay. Join us at our class assembly next week to find out more!

Year 5

Thank you to everyone who came to watch Year 5's Class Assembly this week. Next Thursday, Class 5 is going on a school trip to Auckland Castle.

Year 6

On Monday 6th October, class 6 will be visiting King James I Academy to take part in a "Believe and Achieve" project. The children will return to school at the normal time.

Messages

Children who wish to play on the field at play-times must have a change of shoes so that mud and dirt is not brought into the classrooms.
