Friday 16th October

Halloween Fancy Dress Disco!

On Thursday, 22nd October, we will be holding our spooky Halloween fancy dress disco for all year groups. 4:00 until 5:30pm. Entry charge is £1.00 per child and refreshments will be available for a small charge.

Reception

Reception class are looking forward to a very exciting week of learning next week. Can everybody please bring in as many conkers as they can possibly collect over the weekend?

Class 2

We have been learning about 2d and 3d shapes over the past few weeks. To support their work, the children have to find different 3d shapes around their home and name them. Can homework books be handed in next week as I would like to see the great work they have been doing.

Class 3

Mrs. Foggin has been extremely impressed with the erupting volcanoes that the children have made this week. We are looking forward to seeing lots of parents at our Class Assembly; Thursday 22nd October, at 9:05am.

Class 4

Class 4 have had fun learning about the Habitats of living things in Science this week. We are looking forward to designing an Egyptian death mask in our topic lesson next week!

Class 5

We have been estimating and measuring angles in maths and also learning about the interior angles of shapes. In English, we have written a balanced discussion. Thank you to the parent/carers, family and friends who came to see our class assembly. We really enjoyed it and hope you did too.

Class 6

It was wonderful to see so many parents attend our class assembly. The children really enjoyed showing off what they have learnt in gymnastics.

We are going to Low Barns Nature Reserve on Monday, where we will be doing pond dipping and river studies.
