## Friday 2nd October

### New Football Strip!

We would like to say a big thank you to Adam Yates' parents who have kindly bought the football team a brand new strip. We would also like to say a big thank you to Kailum Oxley's parents who have donated all of the printing costs.

We are also looking for further new kits for our other sports teams. If anyone is interested or can help, please contact Mr Soppitt

### Reception

From next week we would like the children to go into the yard every morning and line up with their class when the bell rings. Parents can say goodbye at the gate and the children will be supervised on the yard from 8.45am

### Class Two

This week in class 2 we have been reading 'Room on a Broom.' We have designed our very own special broomsticks! Next week in numeracy we will be working on 2d shapes. We will be looking at their names, properties and some children will be looking at lines of symmetry.

### Class Three

Next week we're learning about Volcanoes in Science. What do you already know? On Monday we're going on a trip to the Hancock Museum.

### Class Four

We've had a busy week working on diary entries and multiplication. On Monday we're going to the Hancock Museum. P.E. kits on Tuesday; Swimming gear on Wednesday please!

### Class Five

This week we have been writing non-chronological reports about the British Monarchy and also learning how to use brackets, commas and dashes to indicate parenthesis.

If anyone would like to take Custard (our class pet) home for the weekend, then please let Mrs Kidd or Mrs Dickinson know. Thank you.

### Class Six

This week, we've had a fantastic trip to The Barnes in Spennymoor to complete our Neighbourhood Watch program. We learnt a lot about the police and met some of their dogs.

Our Autumn Term class assembly is on **Tuesday 13th October**. The class will be showing off their gymnastic skills in a whole class performance. It would be great if parents could join us between 9.05am-9.35am.
