Friday 25th September

Harvest Festival Tuesday 29th September

1:30pm start at St. Andrew's Church

Come and join us for songs and poems at our Harvest Festival.

Please send any donations of fruit and vegetables to school by Tuesday and we will donate them to local Care Homes.

Reception

Don't forget to join us for our den-making afternoon on Thursday 1st October.

Class Two

This week in numeracy, we have been adding some BIG numbers using number lines. Some children have even started to draw their own!

The class have decided that their treat will be a visit to Bamboozles. We are aiming for 40 days for the whole class to be on green. We are on 17 already!

Class Three

We have had fun this week completing artwork for our Stone Age Topic. We have glued sand onto card to create a texture so we can experience what's its like to paint on a cave wall.

Class Four

In our class we have had fun mummifying tomatoes as part of our Egyptian Topic. For next week, please remember to bring swimming kits on Wednesday.

Class Five

This week the children have been learning about figurative language. They have used similes, metaphors, personification and onomatopoeia in their free verse poems.

Remember, on Monday, the children are visiting Auckland Castle and their consent form must be returned.

Class Six

Next Thursday morning, Year 6 are completing the Neighbourhood Watch Program they started in Year 5, with a visit to the The Barns in Spennymoor (the base and training centre for Durham Police's Dog Support Unit). We are leaving school promptly at 9am so children need to be in school in good time.
