Friday 22nd January

Class Dojo is working really well in all of our classes, it's a wonderful resource to keep in contact with your child's teacher and to see their achievements throughout the school day. Mr. Orwin is always happy to help anyone download the app who does not already have it.

Reception

We have changed our PE day from Wednesday to Friday. It would be very helpful if girls could wear trousers for school on a Friday for Balance Ability on our bikes.
Thanks.

Class Two

This week we have been learning all about data handling in numeracy. Children have used tally charts to collect their very own data, and used it to create block graphs and pictograms.

Class Three

On Monday afternoon we will be walking to St. Andrew's church. This will coincide with our learning in RE about Christian beliefs and symbols. Children will have the opportunity to create some observational drawings.

Class Four

This week we have been writing our own adverts in English. We will use them to make TV adverts and play them to the rest of the school.
In PE we have been learning dance moves and performing gymnastics.

Class Five

This week we have written non-chronological reports about Vikings and a diary entry from on-board a long ship. In Maths, we have calculated squared and cubed numbers using Minecraft!

Class Six

This term, PE is on Monday and Thursday. Please can you ensure your child has the correct kit.

Our class assembly this term is about Internet Safety and will be on Tuesday 9th February.
