Friday 29th January

NSPCC

This week Year 5 and 6 have taken part in an NSPCC workshop. Ask your child what they have learned about being safe and having the right to be safe.

Reception

For the next two weeks, Reception will be learning about Chinese New Year and discovering how the Chinese culture differs from ours. If any parents have any Chinese objects or Chinese takeaway menus, please could you send them into school. Thank you

Class Two

We have been doing some fantastic activities over the past few weeks in P.E. We have been working on our core muscles and developing our strength. All the children have really enjoyed playing dodgeball too.

Class Four

This week we have been planning holiday brochures for Australia in our topic and learning about Aboriginal Art. In Maths we have learned about decimals.

Class Three

Everyone was very well behaved at St. Andrew's church this week, it was commented on by Reverend Vine. We are all pleased to welcome Mr. Lee, teaching student, into Class Three. We're sure he will be an asset to our class.

Class Five

This week we visited Bishop Barrington and had a Food Technology lesson—we made, and decorated, cakes. In DT we were set the challenge of designing and testing a Viking Long ship using limited resources.

Class Six

The letter for our trip to Newcastle University (on Wednesday 24th February) was sent out this week. Thank you to those who returned it so quickly! We have another trip scheduled for Tuesday 1st March, the Safety Carousel. There is no cost for this trip—the letter will be sent next week with a permission slip to be returned ASAP.
