Friday 8th January

Welcome back and Happy New Year

It's been lovely to see and talk to the children about their holiday adventures over Christmas. The children have come back to school refreshed and ready to learn new things. We are impressed with the way the children have settled back into school life and are studying hard. All class teachers will be sending a Topic Web and timetable home so that parents know what to expect in this Spring term.

Reception

The children will be given their new Busy Bags today. Please read the letter in their book bags about them. Also look out for the WOW wall of fame cards which we will be sending out on Monday!

Class Two

Over the next few weeks we will be looking at traditional tales. We have already started work on Cinderella. It can help your child with their learning, to hear as many different traditional tales at home, either by reading themselves or by an adult.

Class Three

All children thoroughly enjoyed swimming this week. Mr Orwin remarked on their great behaviour. Please remember that every Wednesday children will require a costume, towel and swimming cap, in a suitable bag (no plastic carrier bags please as they split easily).

Class Four

This week we have had lots of fun getting to know our new teacher, Mr Burnett! Spellings will be given out every Monday and we will have a spelling test on a Friday afternoon. Please can all children bring their PE kits back into school before our lesson on Tuesday.

Class Six

The children have already received their first homework tasks of this term. Hand-in day will be every Wednesday. If they have a problem with their homework, Year 6 staff are ready to help (but it must be before hand-in day!) Please can children bring their P.E. kit (suitable for both indoor and outdoor and activities).

Class Five

This week we have started reading our class book and found out about when and why the Vikings invaded Britain. In Maths we have made 3D models with cocktail sticks and sweets and used mathematical vocabulary to describe the shapes.
