

Happy Birthday Her Majesty

We celebrated the Queen's birthday on Thursday by dressing in red, white and blue. Our morning assembly was all about the Queen and the difference between her official and real birthday. We also learned a new Happy birthday song especially for the Queen's 90th birthday.

Reception

On Thursday 28th April we will be visiting Bracks Farm Keepmoat building site, to find out how to build a house of bricks. Can you guess which traditional story we are reading next week?

Class 2

This week in class 2 we have been learning about our new topic 'Under The Sea.' Over the next few weeks we will be reading both fiction and non fiction books and learning all about their features.

On Thursday 28th April, the class will be competing at the Multi-skills festival at Bishop Barrington. Children will need suitable clothing and footwear for sporting activities.

Class 3

Please ensure that all children have a full P.E kit kept in school, including plimsolls as we are very likely to be doing P.E outside this term. Our P.E topic is rounders, which the children are really enjoying already.

Class 4

Today we have been making a commemorative coin from cardboard to celebrate the Queen's 90th birthday. We used a stippling effect to make them look real.

Class 5

We have been learning about percentages, fractions and diary entries this week.

We have also started our topic about animals which includes learning about humans.

Class 6

Class 6 have completed Mock SATs this week and we are very pleased with how hard they are working.

In the build-up to SATs, it is crucial that your child gets to bed on time. Having enough sleep improves memory, lowers stress and improves attention.
