

Friday 13th May

Congratulations Year 6

We would like to congratulate year 6 on completing their SAT tests.

Each and every one of them dealt with the tests maturely and tried their very best. They all demonstrated determination and commitment in proving how hard they have worked all year.

Thank you also to parents for all of your support!

We are all so proud of them!

Class 2

We have been reading 'Winnie Under The Sea' this week. It encouraged us to consider what we would pack in our suitcases for our holiday. We also discussed about keeping safe around water.

Reception

Please, please, please could parents make sure school jumpers are labelled with your child's name. As the weather gets warmer, the children are taking their jumpers off and getting them mixed up! It would make our jobs much easier if they had their names on.

Thank you

Class Three

Some children from Class Three represented our school yesterday at Bishop Barrington in a tennis festival. Well done to everyone who took part!

Class 4

In class 4 we have been learning to read analogue & digital clocks and how to read a time table. Please encourage your child to practice these new skills around the home.

Class 5

The children have been learning about classification of animals and their gestation periods. We presented information and learned about the importance of not plagiarising work.

Class Six

Please can children return revision booklets. Children must have full indoor and outdoor PE kit in school from next week.
