Friday 20th May

The Eggs Have Hatched!

The Blue tit eggs hatched on Saturday afternoon. These are photos from the bird box of the new chicks being fed. The first two chicks have been named Baby Blue & Bertie. Thanks to Leon Brace (Reception) and Chloe Scott (Y6), who both won a prize for their choice of names. Please continue to follow their progress by visiting our school website and following the Bird box Project link.

Reception

Next week is Miss. Cordingley's last week in Reception. I am sure you will join us in saying farewell and best wishes. The children have really enjoyed having her as their teacher this term. Perhaps you could make a card at home for her!

Class 2

This week, the children in Year 2 have completed their SATs and have worked very hard. The children in Year 1 have been writing letters and reading *Fergus the Sea Dog*.

Class 3

Next Tuesday, we are visiting Bishop Auckland Community Fire Station as part of Careers Week within school. We will be walking to the fire station; please ensure your child has a suitable coat in case it rains.

Class 4

For the next few Thursdays, we are taking part in a Forest Schools project at Auckland Castle, where we will be learning outdoor skills and field craft.

Please ensure your child is suitably dressed for the weather (coat, wellies/ boots, sun cream, sun hat).

Class 5

This week, class 5 have been learning formal methods of multiplication and division—ask us to show you our skills. In Science, we plotted graphs to find out if there is a correlation between life-expectancy and gestation.

Class 6

Please can you ensure that children continue to come to school in the correct uniform and have a yellow shirt for P.E. - particularly if representing the school at summer term sports events. Keeping to the correct uniform is good preparation for secondary school. Thank you.

Careers Week

To finish off a week of visits and visitors for careers week, please could children come to school dressed up in their dream job outfit.

A £1 donation would be much appreciated.
