## Friday 26th May

### Careers Week Special

Class 2 and Class 3 enjoyed their trip to the fire station. They tried some firefighting equipment. Maybe Dale could be a firefighter when he grows up?

Class 4 and Class 6 were put through their paces by Stephen the personal trainer.

Class 5 visited Locomotion where they interviewed staff members about all the different roles at the museum.

Class 5 and Class 6 found out about the job of a prison guard who works with young offenders. Callum thought, "I would like to do that job because Prison Guards are mainly trying to give people a second chance."

Class 4 and Class 6 have learned about illustration and jobs in art with Mr. Burnett.

Reception and Class 6 have already visited the Keepmoat Building Site. Alisha was brilliant at bricklaying! Today Class 4 are donning their hardhats and high-vis to find out about careers in construction.

Dean, a technical advisor at Northumbrian Water, spoke to all children in Key Stage 2. He told them about the many different roles at his company, what his typical day involves and why he enjoys his job. Scott thought, "It is really impressive how quickly Dean works with his team to repair broken pipes and even massive sinkholes."

**We have also been visited by Northern Powergrid and Dogs Trust.**

**Thank you to all of our visitors who have helped make our Careers Week a success!**

## In other news...

Class 6 have been entrepreneurs this week and have made and sold crispy cakes and smoothies raising **£120** to sponsor endangered animals through the **Born Free Foundation**. Thank you to everyone who bought and donated goods.

This week, Key Stage 2 children have competed in athletics at Shildon Athletic Club. Everyone was fantastic particularly the Year 3/4 team who came 2nd overall. Well Done!
