Friday 10th June

Moon Bear Fundraising Event

Year 6 have spent the £120 they raised on adopting four animals through the Born Free Foundation. After a class vote, the money was spent on a tiger, a polar bear, a hyena family and a cheetah family. As a thank you for the money they raised, the class were sent adoption packs that included cuddly toys.

The children have worked very hard on this project but could not have done it without your kind donations to buy their cakes and smoothies. Thank you for your support!

Reception

This term we are learning about all creatures great and small! We have been observing mini-beasts this week. If you find any bugs this weekend, collect them in a container with holes and bring them to school for us to look at.

Class 2

Can all parents and carers please make sure that all children have the correct P.E. kit in school and that it's the correct size. Children need a t-shirt, shorts and trainers or plimsolls in school as we will be doing P.E. outside in the summer.

Class 3

Children in Class Three have been learning about road safety this week, following a visit from experts. Our visitors will be in school again next Wednesday.

Class 4

To celebrate the Euro 2016 football tournament, Class Four will be having a cake sale in school. The project will combine Maths, Art and DT as they will cost out the price of the ingredients, design the adverts and make the cakes. Proceeds will go towards our summer school trip to Adventure Valley in July.

Class 5

This week we have started our science topic on Forces. We are looking forward to our visit to the 'Life Centre' on Wednesday. Can all letters please be returned as soon as possible? Thank you.

Class 6

On Tuesday we are taking part in the leavers service at Durham Cathedral. **All children must wear full school uniform** Thank you.
