## Friday 1st July

### Sports Day

The children are really looking forward to our Annual Sports Day on Thursday 7th July. Parents and family members are welcome to come along and cheer the children on in their races.

We ask that parents:

- \* Stay behind the barrier and not cross the race course during sports day.
- \* Please use the bins provided for litter
- \* We will provide water for the children so parents do not need to pass drinks over to the children.
- \* A drinks stall will be set up for visitors to purchase refreshments during the sports day.
- \* Send children to school wearing their PE kit. Children can wear the colour of their house team.
- \* Raffle tickets will be on sale. We have some excellent sporty prizes on offer. From a nearly new bike to football gear donated from Bishop Auckland Football Club as well as sport hampers, to keep the family busy over the school holidays. Tickets are £1 a strip.
- \* After the races are finished the children will return to their classes and the raffle will be drawn. Parents can then go to the classrooms to collect their children.

### Transition Week

Next week all children will move up into their new class and work with their new teacher for our transition week.

The week will run from Monday morning till Thursday Lunchtime, when the children will return to their original teachers for sports day.

The children will be completing tasks to help their teacher get to know them.

### Fun Friday

Friday 8th July is the busiest day in the school Calendar.

Our new starters in Nursery and Reception will be staying for their first school lunch.

Reception and Class 2 are visiting Hall Hill Farm.

Year 3,4 and 6 are visiting King James Academy for a dance festival in the afternoon.

Year 5 are visiting Staindrop Comprehensive Secondary School for a curriculum day.
